Welcome Cornelius Families,

As the beginning of school has settled down and the students are getting adjusted, it is time to begin making plans for activities and events during the 2018-2019 school year.

(We or I) (insert your name/names) have volunteered to be (year teacher) room parents for the 2018-2019 school year. (We or I) will be contacting the class throughout the year for various things:

- Classroom volunteers
- Power Time snacks or crafts
- Sending in supplies for special projects
- Holiday and End of Year Parties
- Teacher Appreciation Week
- Field Trips
- Collecting money for teacher gifts

In the next few weeks, (we and I) will contact parents about class room volunteer opportunities. If you wish to volunteer in the classroom, you must go to the link below and register to volunteer in CMS.

<https://www.cmsvolunteers.com/>

It takes 24 hours to be cleared to volunteer. You must be cleared to volunteer. If you come to the school and have not been cleared, then CMS policy dictates that you cannot enter the classrooms.

(We or I) am here throughout the year to answer questions or help in anyway (we or I) can. Thank you and (we or I) look forward to a successful 2018-19 school year.
